+ Breakfast is served all day!!!

Bagels & More opened on October 3rd, 1996 at 324 State Street in beautiful Downtown Beloit as the one & only family owned bagel & specialty coffee café in Beloit, WI. We chose our building because of the location & the historic qualities. With that in mind, we removed 3 drop ceilings to expose the original tin ceiling, removed a side wall to expose the interior brick on the south wall & removed the front façade on the building to expose the original historic brick. Retaining the historical significance of the interior as well as the exterior has always been a priority!

Thank you for allowing us to be part of such a wonderful community for over 25 years!
David & Joan Siekierski
